- The Contractor hereby states that he/she is familiar with Appendix B of the Minnesota Manual on Uniform Traffic Control Devices and that he/she will comply with its requirements. The Contractor shall erect signs for any detours necessary after receiving approval from Eureka Township.
- It is also agreed the applicant will restore all other improvements to a condition equal to or better than that which existed prior to the making of the excavation. All restoration will be done by the applicants/contractor's forces and will have to meet the requirements of the Township.
- **NOTICE:** Failure of the contractor to properly and completely repair disturbed property within 48 hours of completion of permitted work; may result in enforcement by Eureka Township.
- If approved, the Contractor shall carry and display this permit during their permitted work and present it immediately upon demand by any of Eureka Township Representative.

***The applicant, in carrying on any and all work accomplished under the permit requested herein, agrees to conform strictly to the provisions of Eureka Township, together with such general and special provisions required by Eureka Township in the permit issued.***

***\*\*\*Along with conforming to all requirements set forward by MN State Statutes and rules of the MN office of Pipeline Safety relating to underground construction, marking of excavations, and potholing when over existing facilities.\*\*\****
