Cemstone Concrete Plant Tour
Northfield, MN.
Tuesday March 30, 2010, 2:30 PM

In attendance were:

Eureka Township Board of Supervisors: Kenny Miller, Dan Rogers, Nancy Sauber
Eureka Township Planning Commission member: Pete Storlie
Eureka Township citizen: Jeff Otto Mr. Otto used a video recorder to create a visual record of this plant tour.
Ames Construction representatives: Shawn Dahl, Pat Mason
Cemstone Companies: Mr. Ken Kuhn

Mr. Ken Kuhn of Cemstone Companies gave the attendees an informational tour of their Northfield ready-mix concrete plant and explained in detail how a dry batch concrete plant operates. Mr. Kuhn explained how Cemstone and the rest of the concrete industry comply with the various local, state and federal permit requirements that pertain to the environmental and operational aspects of producing and supplying concrete. Mr. Kuhn also touched on the need for concrete and some of the reasons for early and late hours of operation.

This on-site meeting adjourned at 4:00PM March 30, 2010
