April 25, 2006
Local Board of Appeals and Equalization Meeting
10:30 AM

Per State Statute a trained Town Board Supervisor needed to be present at this meeting, for the meeting to be held.

The trained Supervisor of the Town Board was not able to attend the meeting.

The scheduled Local Board of Appeals and Equalization Meeting could not be held as scheduled.

The meeting was held as an “open book meeting” Dakota County assessor addressed citizens concerns of their 2006 tax assessments.

6 residents were present.

Respectfully Submitted,
