

November 10, 1975

Board met at town hall.

All present.

Pledge of Allegiance given.

Henry Larson's request for a pole shed was O.K.ed.

John Chalmers mobile home annual permit was next. He was told to remove diseased elms. Permit O.K.ed.

Larry Swanson then appeared and asked for a variance in lot width. Lot 244'0" wide. Variance granted.

Harris Hagen's utility building was granted a permit.

Motion by Francis 2<sup>nd</sup> by Watcher to have swimming pool ordinance postponed to annual meet.

The suggestion by the planning commission to have secondary building permits on farms passed by the board, by passing the planners was to be sent back to the commission.

The board voted to adopt the state building code except as the board could amend the same where they felt it would be better for our town.

East end of 225<sup>th</sup> St. was discussed. We would keep this as a right of way.
