

December 11, 1972

Public meeting to consider Eureka Estates plat was called to order by chairman.

Mr. ? told the board of the details of the plan which was approved by attorney Schmitz. Mr. Davis then appeared and presented the preliminary plan showing easements, streets, etc. He said that Mr. Gabiour specifications for a seven ton road would be followed. Mr. Rettman was present and affirmed a letter he had signed regarding a proposed road across his property south of Eureka Estates.

The letter reads as follows

Eureka Town Board
Gentleman:

This is to advise you that I have conferred with the various members of Eureka Estates, Inc. with regard to a proposed road running southerly from the Eureka Estates subdivision across my property.

Since I understand it is the wish of Eureka Town Board that the road be constructed across my property in a manner consistent with the road on the Eureka Estates subdivision, this is to advise you that at such time as my property is developed and subdivided I will provide a road across my property in the manner desired by the Eureka town board.

Signed
Melvin P. Rettman

Public meeting closed.
