#### New Business

Chairman Lee presented a proposition to allow clustering of homes. He explained then would allow landlocked 40 acre site to qualify under our one house to 40 acre. There would have to be a clause in deed's to keep balance of farm to stay agriculture. It would call for a new ordinance and a public hearing. This was passed on a motion by Gary Schulz seconded by Eugene Kaufenberg. The placement of driveways was explained to Ken Miller.

Lee next presented the boards plan to start rebuilding of roads as we can afford. There was a lengthy discussion on this matter. Ken Miller had some figures from Rud Construction as to cost per mile. There was some discussion on Burma (lim) on some roads in as to cost and length of
