New Business.

Since we did not have a dog control ordinance the county would not pick up stray dogs. The board passed an Ordinance No. 23 regarding stray or dogs running at large. It had not been published in the paper so far.

The Farmington annexation was next. We have not taken any action at this time.

Norm Marsh sent out a letter for a central vote counting machine at Hastings. We would just straighten the ballots and take them to Hastings. The machines would cost Eureka \$844.00 a year for three (3) years. The board was opposed to them and I believe it was dropped.

We have been advised we could join in the Farmington cleanup and bring our rubbish and junk to the Dakota Electric station at a cost of about \$1,800.00 not interested.

Cheryl had a Farmington Fire report but did not have any report from Lakeville.

Ambulance charges were next. We had good reports on the service.
