Board Meetings 1970-71

The board met 21 times the past year.

A fire department deal with Farmington was negotiated but a joint building inspector set up was turned down. A county weed spraying proposition was turned down in favor of our agreement with Hampton formers union. We met at County Zoning and Rapid Transit Meetings and were not too enthused about either one. 8 conventional home permits were issued, also 3 modular homes and two temporary permits for mobile homes. Earl Culver was granted 2 permits to move in houses. No more can be moved in for 3 years. Two amendments to existing ordinances were added. Gravel pits and building lots.
