

March 14, 1967

Board met march 14 at 8:30 P.M.

A public hearing was held on zoning land for Lawrence Fredrickson junk yard.

Public sentiment was against zoning and of Mrs. Fredrickson's land commercial but some thought we (the town board) should let him have a few cars, like he said he had and when the ordinance against junked cars was adopted. No action was taken.

S.O. Steen (clerk)
