

Eureka Township
Special Meeting
August 25, 1980

A public hearing was held at the Eureka Town hall to once again to consider Johnson Brothers request for a road east of their driveway to Denmark Ave.

The usual bickering ensued and since Johnson's are not too compatible Robert Johnson left the meeting. After considerable discussion with both Johnson Bros. and Bill Adelman. Sauber made a motion seconded by Zweber to build a road from Johnson Bros. driveway to Denmark Ave. Passed 4-0.

Johnson Bros. requested for a form to be drawn up to state new bridge if contracted would not be any further south than old bridge. Motion by Zweber, seconded by Sauber to accept Jerry Rother's bid of \$20,900.00 for construction of said road.

The meeting was closed and in a special board meeting a motion was made by Zweber seconded by Sauber to terminate Peter Schmidt's service as lawyer for our township in favor of Macklin's of Lakeville. Passed 4-0.
