# Reminder of a few **R**ules and **R**egulations:

## Hunting

*\*ALWAYS ask for permission before entering private land. You do need permission to hunt on agricultural land even if it is not posted. Trespassing is a misdemeanor. If convicted, you could lose your license to hunt. All conservation officers and peace officers enforce trespass laws.*

*\*A landowner who allows persons onto his or her land free of charge for recreational purposes (including hunting), as defined by Minnesota Statutes chapter 604A, is generally not responsible for or liable to such persons for injuries or damages they might sustain while on the land. For complete details, please refer to Minn. Stat. Ch. 604A.20–604A.27.*

## Snow Removal

*\*Snow from your property should be plowed and stored on your own property and not pushed across roads.*

*\*It is unlawful to dump snow from your private driveway onto the road, according to Minnesota Statute 160.2715 subd. (a)(1). Under civil law, any person dumping snow on the road is liable for any accident that it caused.*

# NEW PARTNERSHIP

We're excited to share that **WSB Engineering** is joining Eureka Township as a new partner, with **Hannah Rybak** and **Nate Sparks** leading the way.

Hannah and Nate bring a great mix of experience in planning and engineering, and they understand how to work with communities like ours. They'll be helping us with projects big and small—making sure we find smart, cost-effective solutions that keep our township's character in mind.

We're looking forward to getting to know Hannah, Nate, and the WSB team as they help support our Township's needs today and into the future. Please join us in welcoming them to Eureka!

WSB, as a planner for the Township, typically provides professional planning and consulting services to support township projects, development, and long-term planning goals. Their role may include:

- **Land Use Planning:** Advising on zoning, land development proposals, and compliance with state and local regulations.
- **CUP, IUP and Site Plan Reviews:** Reviewing plans for new developments CUP and IUP applications, ensuring they meet township codes and policies.
- **Comprehensive Planning:** Assisting with updates to the Township's comprehensive plan, including growth management, transportation, and environmental considerations.
- **Infrastructure and Public Projects:** Providing guidance on road improvements, utility planning, stormwater management, and other public works projects.
- **Policy and Ordinance Support:** Helping the Township draft or revise ordinances, policies, and development regulations.
- **Community Engagement:** Facilitating public meetings, workshops, and communication between the township, residents, and developers.

Essentially, WSB acts as a professional advisor to ensure the Township's planning and development decisions are well-informed, legally compliant, and aligned with community goals.
